

# ***Table of Contents***

Preface .....	xiii
---------------	------

## ***Part I: Cancer Overview***

Chapter 1—Cancer Defined.....	3
Chapter 2—Cancer Classification.....	11
Chapter 3—Cancer Symptoms.....	15
Chapter 4—Metastatic Cancer.....	17
Chapter 5—Cancer Clusters .....	23

## ***Part II: Risk Factors and Cancer Prevention***

Chapter 6—Factors That Are Known to Increase the Risk of Cancer .....	29
Section 6.1—Cigarette Smoking.....	30
Section 6.2—“Light” Cigarettes and Cancer Risk.....	35
Section 6.3—Cigar Smoking and Cancer .....	38
Section 6.4—Secondhand Smoke and Cancer .....	41
Section 6.5—Smokeless Tobacco and Cancer .....	45
Chapter 7—Asbestos Exposure and Cancer.....	49

Chapter 8—Cancer Risks Associated with Pregnancy, Contraceptives, and Menopausal Hormones .....	51
Section 8.1—Reproductive History and Breast Cancer Risk.....	52
Section 8.2—Oral Contraceptives and Cancer Risk.....	55
Section 8.3—Menopausal Hormone Use .....	59
Chapter 9—Diethylstilbestrol (DES) and Cancer .....	67
Chapter 10—HIV Infection and Cancer .....	75
Chapter 11—HPV and Cancer .....	79
Chapter 12—Helicobacter Pylori and Cancer .....	85
Chapter 13—Cell Phones and Cancer Risk.....	91
Chapter 14—Magnetic Field Exposure and Cancer.....	101
Chapter 15—Accidents at Nuclear Power Plants and Cancer Risk.....	107
Chapter 16—Radon and Cancer.....	111
Chapter 17—Cancer Prevention Overview .....	115
Chapter 18—Diet Factors.....	119
Section 18.1—Guide to Healthy Eating and Cooking Methods .....	120
Section 18.2—Anti Oxidants and Cancer Prevention .....	124
Chapter 19—Cancer Screening.....	131

### ***Part III: Cancer Types***

Chapter 20—Neurological Cancers.....	143
Section 20.1—Adult Brain Tumors .....	144
Section 20.2—Childhood Brain and Spinal Cord Tumors .....	160
Section 20.3—Neuroblastoma.....	168
Section 20.4—Pituitary Tumors .....	181

Chapter 21—Head and Neck Cancer.....	189
Section 21.1—Laryngeal Cancer .....	190
Section 21.2—Lip and Oral Cavity Cancer .....	199
Section 21.3—Metastatic Squamous Neck Cancer with Occult Primary .....	208
Section 21.4—Thyroid Cancer .....	214
Chapter 22—Respiratory / Thoracic Cancer.....	227
Section 22.1—Non-Small Cell Lung Cancer .....	228
Section 22.2—Small Cell Lung Cancer .....	246
Section 22.3—Malignant Mesothelioma.....	255
Section 22.4—Thymoma and Thymic Carcinoma .....	265
Section 22.5—Breast Cancer .....	272
Chapter 23—Gastrointestinal / Digestive Cancer.....	299
Section 23.1—Gastrointestinal Carcinoid Tumor .....	300
Section 23.2—Esophageal Cancer .....	312
Section 23.3—Adult Primary Liver Cancer .....	326
Section 23.4—Extrahepatic Bile Duct Cancer .....	338
Section 23.5—Gall Bladder Cancer .....	349
Section 23.6—Pancreatic Cancer.....	359
Section 23.7—Pancreatic Neuroendocrine Tumors (Islet Cell Tumors).....	370
Section 23.8—Small Intestine Cancer.....	389
Section 23.9—Colon Cancer .....	397
Section 23.10—Rectal Cancer.....	408
Section 23.11—Anal Cancer.....	421
Chapter 24—Genito-Urinary Cancers .....	431
Section 24.1—Urethral Cancer.....	432
Section 24.2—Bladder Cancer .....	441
Section 24.3—Penile Cancer .....	450

Section 24.4—Testicular Cancer.....	460
Section 24.5—Prostate Cancer .....	468
Chapter 25—Gynecological Cancer.....	481
Section 25.1—Ovarian Epithelial, Fallopian Tube, and Primary Peritoneal Cancer .....	482
Section 25.2—Ovarian Low Malignant Potential Tumors .....	492
Section 25.3—Endometrial Cancer .....	499
Section 25.4—Gestational Trophoblastic Disease .....	508
Section 25.5—Cervical Cancer.....	521
Section 25.6—Vaginal Cancer .....	533
Section 25.7—Vulvar Cancer .....	545
Chapter 26—Germ Cell Cancer .....	555
Section 26.1—Childhood Extracranial Germ Cell Tumor .....	556
Section 26.2—Extragenadal Germ Cell Tumor .....	571
Section 26.3—Ovarian Germ Cell Tumor .....	579
Chapter 27—Musculo-Skeletal Cancer.....	589
Section 27.1—Bone Cancer .....	590
Section 27.2—Ewing Sarcoma .....	595
Section 27.3—Osteosarcoma and Malignant Fibrous Histiocytoma of Bone.....	604
Section 27.4—Rhabdomyosarcoma, Childhood .....	614
Section 27.5—Soft Tissue Sarcoma .....	626
Chapter 28—Skin Cancer.....	635
Section 28.1—Skin Cancer.....	636
Section 28.2—Melanoma.....	646
Section 28.3—Merkel Cell Carcinoma.....	660
Section 28.4—Kaposi Sarcoma .....	668

Chapter 29—HIV-Related Cancer .....	679
Section 29.1—AIDS-Related Lymphoma .....	680
Chapter 30—Cancer of Unknown Primaries.....	691
Section 30.1—Carcinoma of Unknown Primary .....	692
Chapter 31—Leukemia.....	701
Section 31.1—Adult Acute Lymphoblastic Leukemia.....	702
Chapter 32—Lymphoma .....	713
Section 32.1—Primary CNS Lymphoma.....	714
Section 32.2—Adult Hodgkin Lymphoma.....	722
Section 32.3—Adult Non-Hodgkin Lymphoma .....	736
Chapter 33—Other Types of Hematological Cancer.....	751
Section 33.1—Chronic Myeloproliferative Neoplasms .....	752
Section 33.2—Langerhans Cell Histiocytosis.....	758
Section 33.3—Plasma Cell Neoplasms.....	772
Section 33.4—Myeloidysplastic Syndrome.....	781

#### ***Part IV: Cancer Detection and Diagnosis***

Chapter 34—Cancer Staging.....	793
Chapter 35—Computed Tomography (CT) Scans and Cancer .....	799
Chapter 36—Mammograms .....	809
Chapter 37—BRCA1 and BRCA2: Cancer Risk and Genetic Testing.....	817
Chapter 38—Genetic Testing for Hereditary Cancer Syndromes.....	829
Chapter 39—Pap and HPV Testing.....	841
Chapter 40—Prostate-Specific Antigen (PSA) Test .....	851

Chapter 41—Sentinel Lymph Node Biopsy.....	859
Chapter 42—Tests to Detect Colorectal Cancer and Polyps .....	867
Chapter 43—Tumor Grade.....	877
Chapter 44—Tumor Markers.....	881
Chapter 45—Understanding Laboratory Tests.....	891

## ***Part V: Cancer Treatment***

Chapter 46—Chemotherapy.....	901
Section 46.1—Questions and Answers about Chemotherapy .....	902
Section 46.2—Tips for Meeting with Your Doctor or Nurse.....	908
Section 46.3—Your Feelings During Chemotherapy.....	910
Section 46.4—Side Effects and Ways to Manage Them .....	911
Section 46.5—Foods to Help with Side Effects.....	941
Chapter 47—Radiation Therapy.....	947
Section 47.1—Questions and Answers About Radiation Therapy.....	948
Section 47.2—External Beam Radiation Therapy .....	953
Section 47.3—Internal Radiation Therapy .....	957
Section 47.4—Your Feelings During Radiation Therapy.....	961
Section 47.5—Radiation Therapy Side Effects.....	962
Section 47.6—Lists of Foods and Liquids .....	984
Chapter 48—Biological Therapy.....	987
Chapter 49—Targeted Cancer Therapies.....	997
Chapter 50—Hyperthermia in Cancer Treatment.....	1005

Chapter 51—Lasers in Cancer Treatment .....	1009
Chapter 52—Photodynamic Therapy for Cancer .....	1013
Chapter 53—Cancer Vaccines .....	1017
Chapter 54—Complementary and Alternative Therapies for Cancer .....	1027
Section 54.1—Acupuncture .....	1028
Section 54.2—Botanicals / Herbal Products.....	1035
Section 54.3—Mind-Body Therapies and Massage.....	1038
Section 54.4—Nutritional Therapies.....	1040
Section 54.5—Pharmacologic Treatments.....	1044
Chapter 55—Cancer Treatment Scams .....	1047

### ***Part VI: Coping with Cancer***

Chapter 56—Cancer Treatment Side Effects .....	1053
Chapter 57—Cardiopulmonary Syndromes .....	1089
Chapter 58—Nutrition in Cancer Care .....	1105
Chapter 59—Oral Complications of Chemotherapy and Head / Neck Radiation .....	1131

### ***Part VII: Research and Clinical Trials***

Chapter 60—Cancer Clinical Trials.....	1159
Chapter 61—Cancer Clinical Trials at the NIH Clinical Center .....	1167
Chapter 62—Donating Tissues for Cancer Research.....	1175

### ***Part VIII: Trends and Statistics***

Chapter 63—Cancer Statistics.....	1181
Section 63.1—Cancer Statistics— An Overview.....	1182

Section 63.2—Statistics—Common Cancer Types .....	1184
Section 63.3—Statistics—Age, Gender, Ethnicity.....	1199
Chapter 64—Cancer Health Disparities.....	1229
<b><i>Part IX: Additional Help and Information</i></b>	
Chapter 65—National Organizations Offering Cancer-Related Services.....	1239
Chapter 66—Glossary of Terms Related to Cancer .....	1245
<b>Index.....</b>	<b>1283</b>
