Chapter 19—Social Risks	167
Section 19.1—Alcohol and Stress in the Military	168

Section 19.2—Driving Under the Influence of Alcohol.....	171
Section 19.3—Binge Drinking	174
Section 19.4—Intimate Partner Violence	181
Chapter 20—Prevention Strategies	187
Section 20.1—Alcohol Policy	188
Section 20.2—Regulating Availability	189
Section 20.3—Underage Drinking – Measures to Prevent and Reduce	198
Section 20.4—Preventing Abuse and Excessive Alcohol Use	203
Section 20.5—Parenting to Prevent Childhood Alcohol Use.....	206
Section 20.6—Involvement of Schools and Communities.....	209
Section 20.7—Prevention Interventions of Alcohol Problems in the Workplace.....	211
Chapter 21—Gaps in Clinical Prevention and Treatment for Alcohol Use Disorders (AUD).....	221

Part IV: Treatment and Recovery

Chapter 22—Exploring Treatment Options for Alcohol Use Disorders (AUD).....	237
Chapter 23—The Role of Biomarkers in Treatment of AUD	247
Chapter 24—Detoxification	259
Section 24.1—Overview	260
Section 24.2—Settings, Levels of Care, and Patient Placement	266
Section 24.3—An Overview of Psychosocial and Biomedical Issues During Detoxification	280

Chapter 25—Post Detoxification.....	309
Section 25.1—Behavioral Couples Therapy for Substance Abuse	310
Section 25.2—Caregivers as Partners and Clients of Behavioral Health Services	312
Section 25.3—Next Step Towards a Better Life.....	320
Chapter 26—Counseling.....	337
Chapter 27—Long-Term Support	343
Chapter 28—Novel Approaches to Continuing Care	347
Chapter 29—Medications and Resources	355
Section 29.1—What FDA-Approved Medications Are Available?.....	356
Section 29.2—Harmful Interactions – Mixing Alcohol with Medicines	358
Section 29.3—Resources	366
Chapter 30—Recovery	369
Chapter 31—Coping with Withdrawal	373
Section 31.1—Guiding Principles of Recovery	374
Section 31.2—Eight Dimensions of Wellness	377
Section 31.3—Wellness Strategies	378
Section 31.4—Handling Urges to Drink.....	381
Section 31.5—Healthy Eating	383
 <i>Part V: Clinical Trials and Research on Alcoholism</i>	
Chapter 32—Clinical Trials – An Overview.....	389
Section 32.1—The Basics	390
Section 32.2—Finding a Clinical Trial.....	399
Section 32.3—For Parents and Children	400

Chapter 33—Research Initiatives..... 403
 Section 33.1—At NIAAA..... 404
 Section 33.2—At SAMHSA..... 411
 Section 33.3—At CDC..... 416

Part VI: Additional Information

Chapter 34—Directory of Support Groups for
 Alcohol-Related Concerns..... 421
Chapter 35—Glossary of Terms Related to
 Alcoholism..... 431
Index..... 443
