Holidays Around the World, 6th Ed.

Detailing More Than 3,300 Observances from All 50 States and More than 100 Nations

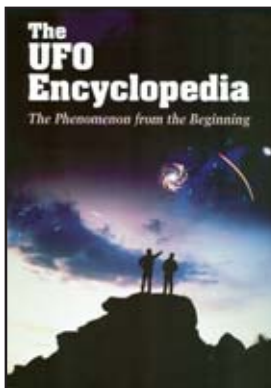

Just Published! 6th Edition. 1,500 pages. 978-0-7808-1619-0.

List price: \$177

» SCHOOL AND LIBRARY PRICE: **\$159**

Holidays Around the World has long been considered the standard reference source for information on holidays and other events. This updated and expanded edition contains up-to-date information about more than 3,500 holidays, festivals, celebrations, commemorations, holy days, feasts and fasts, and other observances from around the world and all U.S. states.

Formerly *Holidays, Festivals, and Celebrations of the World Dictionary* this volume is a key resource for teachers and students, religious organizations, community groups, and anyone who needs information on different cultures, countries, and ethnic groups.

The UFO Encyclopedia, 3rd Ed.

The Phenomenon from the Beginning

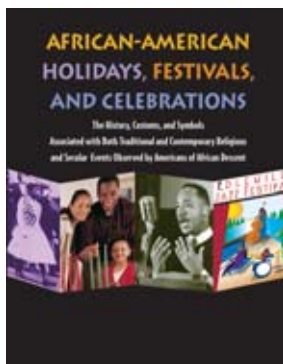

3rd Edition. Library Binding. 8 ½ x 11. 1,200 pages. 2-volume set. May 2018. 978-0-7808-1364-9.

List price: \$155

» SCHOOL AND LIBRARY PRICE: **\$139**

The UFO Encyclopedia, 3rd Edition provides thorough coverage of the UFO phenomena. Detailed entries review the cases, the theories, the organizations, the personalities, the government and media responses, the effects on popular culture, the hoaxes, the flying-saucer religious movements, the debunkers, and all else that is relevant.

Many other topics are featured, including the earliest sightings of UFOs; anomalous aerial phenomena before 1800; accounts of UFO crashes and airship sightings; close encounters of the first, second, and third kinds; UFO crashes and retrievals; sightings, hoaxes, and abduction cases; and much more.

African-American Holidays, Festivals, and Celebrations, 2nd Ed.

Celebrating Holidays, Religions, and Cultural Diversity

2nd Edition. Library binding. 7 ¼ x 9 ¼. 600 pages.

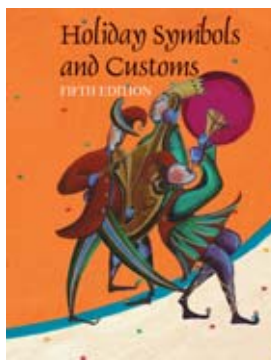

Appendix. Index. Illustrations. 978-0-7808-1605-3. September 2018.

List price: \$71

» SCHOOL AND LIBRARY PRICE: **\$64**

African-American Holidays, Festivals, and Celebrations, 2nd Edition presents the history, customs, symbols, and lore of more than 100 diverse holidays and festivals celebrated by Americans of African descent in the United States.

Events covered include historical and contemporary African-American holidays—ranging from slave observances to Kwanzaa. Also covered are holidays and festivals commemorating notable people, historical events, cultural heritage, and religious beliefs. Religious observances include those of various Christian denominations and those of Santería and other African-based faiths.

Holiday Symbols and Customs, 5th Ed.

A Guide to the Legend and Lore behind the Traditions, Rituals, Foods, Games, Animals, plus more associated with Holidays and Holy Days, Feasts & Fasts, and Other Celebrations

5th Edition. Library binding. 7¼ x 9¼. 1,458 pages. Appendices. Index. 978-0-7808-1364-9. July 2015.

List price: \$133

» SCHOOL AND LIBRARY PRICE: **\$119**

Holidays and their related symbols and customs reflect the history and identity of people of all cultures. This revised and expanded edition provides an introduction to the many ways in which people celebrate and find meaning in these traditions.

Holiday Symbols and Customs, 5th Edition includes over 350 entries that cover such diverse topics as the Academy Awards, Cinco de Mayo, the Hiroshima Peace Ceremony, the Rose Bowl, and Watch Night.

HEALTH REFERENCE AND TEEN HEALTH SERIES Now Available Online!

TEEN FINANCE SERIES

Tips for a Successful Financial Life

Financial literacy has never been more important. Today's teens face increasingly complex financial challenges and opportunities. The *Teen Finance Series* help students understand fundamental economic and financial principles and learn how these principles apply to their own lives. Each volume presents topics designed to help teens develop the skills necessary to manage their money wisely and plan for a secure financial future.

"These volumes provide practical, easy-to-understand answers to many common questions about personal finance and college funding. Each topic is addressed in a thorough, well-documented entry that will help teens understand complex concepts such as credit and borrowing, grants, and student loans....Would be an outstanding addition to any library serving teens." - Booklist, Mar 15 '12

DEFINING MOMENTS

Compelling History Resources for Students

Helping students develop the complex skills required to study history is a challenging process. Finding appropriate research material to meet these demands is a task librarians and teachers face every day. *Defining Moments* is an essential resource for your library to meet these needs. Each volume presents an authoritative account of a major historical moment, providing a one-stop resource for student research.

"A boon for writing the dreaded historical-research paper. Rather than identifying and poring over sources for their research, readers can find here a one-stop shop: ideas for related topics; vetted, in-depth, well-documented, and interestingly written descriptions of the subject; biographies of important related people; full-text primary source documents; relevant places and terms; a chronology; and more. In short, a wonderful place to begin."

Booklist, Dec '13

"Each book in the *Defining Moments* series focuses upon a relevant moment in American history, providing details of the culture surrounding the event and the history of the era. ... The book layout is helpful to students, with a narrative portion explaining the conditions leading up to the pivotal moment in history, the event itself, and the aftermath. ... Significant research and details make this series an outstanding resource for students."

American Indian Removal and the Trail to Wounded Knee

By Kevin Hillstrom and Laurie Collier Hillstrom. 2010. 978-0-7808-1129-4.

"This well-written volume effectively explores a topic of intense historical debate. Fascinating sidebars add significantly to the text by highlighting various episodes, actors, and opinions."

School Library Journal, Mar '11

The Attack on Pearl Harbor

By Laurie Collier Hillstrom. 2009. 978-0-7808-1069-3.

"Beyond its fine organizational structure and the remarkable amount of research contained in this text, its most impressive feature is its readability. Written more like an interesting story than a dry historical reference, this book should not only enlighten but also hold the attention of middle and high school students, particularly boys."

VOYA: Voice of Youth Advocates, Oct '09

The Battle of Gettysburg

By Kevin Hillstrom. 2013. 978-0-7808-1323-6.

"An excellent portable archive on the Battle of Gettysburg. ... Overall, the book is an easy read and when combined with the primary sources the text gives the reader a real feel for the period in which the battle took place. ... A good place for a young reader to start their research on the battle."

American Reference Books Annual, 2014

The Constitution and the Bill of Rights

April 2017. By Laurie Collier Hillstrom. 978-0-7808-1419-6.

The Cuban Missile Crisis

By Laurie Collier Hillstrom. 2015. 978-0-7808-1348-9.

"Editors' Top 75 Community College Resources. ... A gripping narrative about the crisis and the behind-the-scenes diplomacy to avoid war."
—CHOICE, May '16

The Dream of America: Immigration 1870-1920

By Kevin Hillstrom. 2009. 978-0-7808-1070-9.

VOYA Nonfiction Honor List, 2009

"This book thoughtfully explains the complex issue of immigration. This intensive resource focuses primarily on the time period when immigration was at its height, but there is also a brief discussion of present-day issues."

VOYA: Voice of Youth Advocates, Aug '10

The Gilded Age

By Diane Telgen. 2012. 978-0-7808-1238-3.

"This well-written book offers both historical and contemporary analyses, making it a good choice for collections that need report information about an often-overlooked time in American history."

School Library Journal, Oct '12

The Great Migration North, 1910-1970

By Laurie Lanzen Harris. 2012. 978-0-7808-1186-7.

Booklist Top Ten History Books for Youth, 2013

"With considerable depth and detail, this highly readable history of the six million African Americans who left the South for the cities of the North during the twentieth century will hook readers with its gripping narrative. ... A must for students' research and classroom discussion, this entry in the *Defining Moments* series would also be an excellent personal-reading recommendation for both teens and adults."
Booklist, Mar '12 (*Starred Review)

Jackie Robinson and the Integration of Baseball

By Laurie Collier Hillstrom. 2013. 978-0-7808-1327-4.

"This work provides a detailed account of the events that occurred leading up to April 15, 1947 ... and the role that Jackie Robinson played in that monumental occasion. ... [The author succeeds] in her effort to provide an

objective and balanced account of a shameful period in American history."
American Reference Books Annual, 2014

Japanese-American Internment during World War II

By Peggy Daniels Becker. 2014. 978-0-7808-1333-5.

"Authoritative, balanced, and comprehensive, this book is a trustworthy research companion and a worthwhile classroom resource."
Booklist, Mar '14

The Lewis and Clark Expedition

Just Published! By Laurie Collier Hillstrom. 2016. 978-0-7808-1417-2.

"A quality resource for both the media center and the classroom."
Booklist Online, Apr '16

McCarthyism and the Communist Threat

By Kevin Hillstrom. 2011. 978-0-7808-1184-3.

"Explains in detail the origins of American fears about Communism, Communist activity in the United States, and how the Cold War influenced anti-Communist sentiments within the country. ... This title will serve as a useful starting point for research on this topic and will serve its intended audience well."
American Reference Books Annual, 2012

The Muckrakers and the Progressive Era

By Laurie Collier Hillstrom. 2010. 978-0-7808-1093-8.

"Packed with essential information about the journalistic movement during the first decade of the twentieth century. Research topics, photos, political cartoons, and quotes enrich the research experience."
Pennsylvania School Library Association, Apr '10

Plessy v. Ferguson

By Laurie Collier Hillstrom. 2014.
978-0-7808-1329-8.

"For many students today it may be hard to imagine a time when segregation was a fact of life and questioned by few. The book examines how the Plessy v. Ferguson case came to be and the legacy it left on race relations. ... Recommended for public, school, and academic libraries." American Reference Books Annual, 2014

Reconstruction

By Laurie Collier Hillstrom.
978-0-7808-1510-0.

"An ideal and exceptionally well organized and presented resource. ... Unreservedly recommended for community, high school, college, and university library American History collections." Library Bookwatch, Sep '16 2005

The September 11 Terrorist Attacks

By Kevin Hillstrom. 2012.
978-0-7808-1240-6.

"This book, written with the perspective that time allows, does a fine job of placing the attacks into the larger context of Islamic terrorism and world politics and explaining how they forever changed the United States and its relationship with Islam. ... [It] will also draw readers who want to understand the continuing struggle between Islam and the West, making it a good choice for most collections." School Library Journal, Dec '12

The Spanish-American War

By Kevin Hillstrom and Laurie Collier Hillstrom. 2012. 978-0-7808-1235-2.

"The Spanish-American War is an outstanding resource for teaching and learning about this fundamental aspect of American history. It is designed and organized right from the start to be useful and informative. The research and documentation are outstanding." American Reference Books Annual, 2012

The Stonewall Riots

By Laurie Collier Hillstrom.
978-0-7808-1442-4.

"A thorough examination of this watershed event. ... [Provides] necessary context for the historic event, first by charting the centuries of oppression and discrimination that sparked the explosive incident, and second by examining the post-riot struggle for gay rights through the 2015 legalization of gay marriage. ...Comprehensive, well researched, and well documented." —Booklist Online, June '16

"This scholarly examination of the Stonewall Riots includes a plethora of information, from an extensive historical summary to biographies of the key players of this defining moment. ... A key aid in understanding the LGBT movement, this book offers history and hope for interested students." VOYA: Voice of Youth Advocates, Aug '16

The Underground Railroad

By Laurie Collier Hillstrom. 2015.
978-0-7808-1346-5.

"Presents a detailed, illustrated overview of the Underground Railroad. ... An ideal reference for student report research topics and non-specialist general readers with an interest in the 19th Century American history. ...Very highly recommended for personal, community, school, and university library collections and supplemental reading lists." Library Bookwatch, Sep '15

Woodstock

By Kevin Hillstrom and Laurie Collier Hillstrom. 2013. 978-0-7808-1284-0.

"Woodstock describes the history of rock 'n roll and the major players on the music scene. It also includes sections on the culture— the Civil Rights Movement, the Vietnam War, and the anti-war movement. ... Significant research and details make this series an outstanding resource for students." VOYA: Voice of Youth Advocates, June '13

Workers Unite! The American Labor Movement

By Kevin Hillstrom. 2011.
978-0-7808-1130-0.

"Gives the broad history of labor without being superficial. This, along with the clear writing style, makes the book excellent for basic, introductory research on the subject. ... Highly recommended for middle school and high school students researching the history of the labor movement. It's both a good place to begin research and a useful reference when reading other works." Library Journal, Mar '11

World War I and the Age of Modern Warfare

By Kevin Hillstrom. 2013.
978-0-7808-1325-0.

"A primer on World War I focusing on defining moments of the history and innovations in how warfare is waged. ... An authoritative historical resource and is geared toward a general and (young adult) student readership." Reference and Research Book News, Dec '13

The WPA—Putting America to Work

By Jeff Hill. 2014. 978-0-7808-1331-1.

"A seminal work that is very strongly recommended for both academic and community library 20th Century American History collections." Midwest Book Review, Aug '14

The Zoot Suit Riots

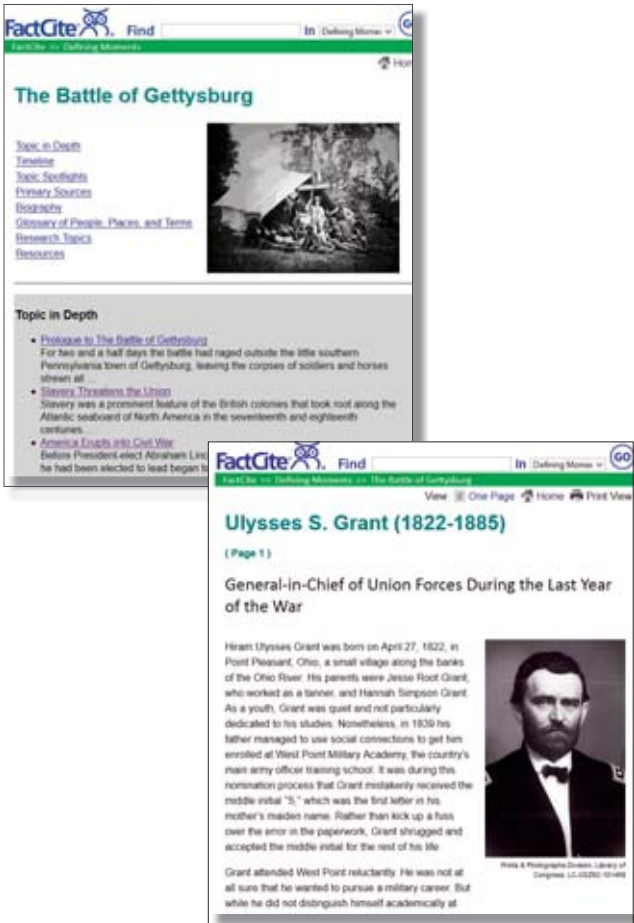

By Kevin Hillstrom. 2013.
978-0-7808-1285-7.

"Because Mexican immigration continues to be a hot button issue in today's society, some 80 years after the zoot suit riots, this book will have relevance in today's classrooms. The Zoot Suit Riots is recommended for middle and high school libraries, and public libraries." American Reference Books Annual, 2014

List price: \$216

» SCHOOL AND LIBRARY PRICE: **\$195**

Parks Directory of the United States covers over 5,000 national and state parks and other designated recreational, scenic, and historic areas in the United States and Canada. The directory provides up-to-date information for each park, including contact information, acreage, location, date established, facilities and activities, special features, job, career, and volunteer opportunities, and entrance pass programs. Among the thousands of descriptive listings, users will find:

- 387 National Parks
- 134 National Forests
- 17 National Grasslands
- 45 National Heritage Areas
- 14 National Marine Sanctuaries
- 486 National Wildlife Refuges
- 3,420 State Parks
- 156 Canadian National Parks and Reserves

The *Parks Directory* also covers national scenic byways, major urban parks, historic sites, battlefields, monuments, forests, preserves, memorials, seashores, trails, and other designated recreational areas. Descriptive listings for nearly 300 park and conservation organizations, as well as contact information for county parks and recreation departments, are provided.

"Useful for a broad spectrum of individuals, especially those looking for a one-stop resource for information on national parks."
American Reference Books Annual

HIGH TECHNOLOGY & RETAIL DIRECTORIES

These directories provide the most up-to-date information and valuable contacts at top companies and medical institutions in high demand fields across the county. Each directory includes company listings that provide the main address, phone number, type of facility, a short description of the products and services offered, and a product category or NAICS (North American Industry Classification System) code. Most company listings also include a fax number, web address, e-mail address, year established, and number of employees. In addition, the directories provide the names of key contacts and decision makers in each company, providing essential information to job seekers and marketing/sales representatives.

SHIPPING & HANDLING

Libraries, schools, and government agencies may submit a purchase order; 7% shipping and handling charges will be added to the invoice and will be billed with shipment.

All others must pre-pay. Payment may be made by check, money order, or credit card (VISA, MasterCard, or American Express). Shipping and handling costs are waived on prepaid orders with destinations in the United States.

60-DAY APPROVAL

All Omnigraphics titles are available on 60-day approval. If for any reason a title does not meet your needs, simply return it for full credit or a refund.

To download a complete order form listing all available titles with ISBNs and prices, visit www.omnigraphics.com and click Catalog and Order Form.
