Headquarters USA 2018

A Directory of Contact Information for Headquarters and Other Central Offices of Major Businesses and Organizations in the United States and in Canada

OCTOBER 2017. 40th Edition. 8 ½ x 11. 3,200 pages. 2-vol set. Indexes. 978-0-7808-1604-6. List price \$231. **School and library price \$210.**

"Offers a genuine one-stop guide to the central offices of . . . U.S. and Canadian corporations, nonprofits, professional organizations, post-secondary and cultural institutions, and government offices. . . VERDICT An easily navigable resource, useful to public library patrons."

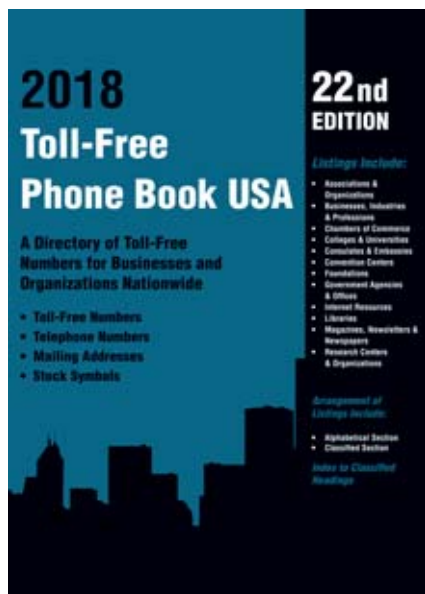

—*Library Journal*

This new edition of *Headquarters USA* contains over 130,000 unique listings covering the largest and most important businesses, and a wide range of organizations, agencies, and institutions. Listings are presented in both alphabetical and subject classified volumes, and provide official names, addresses, and telephone numbers. Most listings include fax numbers and website addresses, and many have toll-free numbers. With this comprehensive directory, you and your patrons can find verified, accurate, up-to-date information for all types of businesses, industries, and related organizations, including:

- Associations
 - Better Business Bureaus
 - Businesses & Industries
 - Chambers of Commerce
 - City, County, State & Federal Government Agencies
 - Colleges, Universities & Vocational Schools
 - Consulates & Embassies
 - Cultural Organizations
 - Foundations
 - Military Bases
 - Political Organizations
 - Sports Organizations
 - United Nations Agencies & Missions
 - and much more!
- PLUS . . .**
- Area Code & Zip Code Guide for more than 12,000 cities
 - Area Code Tables in both state and area code order
 - Index to Classified Headings—includes extensive "See" and "See also" references

"People seeking specific services or wanting to work for a particular type of employer will find using *Headquarters USA* greatly beneficial. *Headquarters USA* is priceless for persons needing contact information for any category of organization."

—*American Reference Books Annual*

Toll-Free Phone Book USA 2018

A Directory of Toll-Free Numbers for Businesses and Organizations Nationwide

OCTOBER 2017. 22nd Edition. Softcover. 8 ½ x 11. 950 pages. Index. 978-0-7808-1603-9. List price \$210. **School and library price \$190.**

Toll-Free Phone Book USA provides more than 43,000 toll-free telephone numbers, along with other key contact information, for top companies, organizations, and institutions nationwide.

Listings are presented in two easy-to-use sections: an alphabetical section, and a classified section in which the listings are arranged under subject headings by business or organization type. Entries also provide complete mailing addresses and local phone numbers including area code, as well as trading symbols and corresponding stock exchanges for publicly traded companies.

Other Features

- **Area Code Tables**—lists all U.S. area codes both numerically and in state order
- **Index to Classified Headings**—includes "See" and "See also" references to help guide users to appropriate subject categories

Northern California High Technology Directory

JUST PUBLISHED! 29th Edition.
Softcover. 8 ½ x 11. 824 pages. Index.
978-0-7808-1595-7. List price \$220.
School and library price \$199.

Northern California High Technology Directory provides the most up to date information on over 6,700 of the top high technology companies in Northern California and Silicon Valley, including those in the fields of:

- Aerospace/Aircraft Equipment
- Biotechnology
- Genetics Engineering/Research
- Laser/Optics/Photonics
- Robotics/Factory Automation
- Software Development Services

Each company listing provides the main address, phone number, type of facility, and a short description of the products and services offered. Most company listings also include a fax number, web address, e-mail address, year established, and number of employees. In addition, the directory includes the names of key contacts and decision makers in each company, providing essential information to job seekers and marketing/sales representatives. Listings are arranged in two easy to use sections; a main alphabetical section and a classified section organized by product category.

Pacific Northwest High Technology Directory

OCTOBER 2017. Softcover. 8 ½ x 11.
578 pages. Index. 978-0-7808-1596-4.
List price \$186.
School and library price \$169.

Pacific Northwest High Technology Directory provides the most up to date information on over 5,500 of the top high technology companies throughout the Pacific Northwest region (Idaho, Oregon, Washington, Alberta & British Columbia), including those in the fields of:

- Aerospace/Aircraft Equipment
- Communications Equipment/Services
- Industrial Equipment and Services
- Microelectronics
- Research, Development, and Testing
- Software Development/Services

Each company listing provides the main address, phone number, NAICS code, and a short description of the products and services offered. Most company listings also include a fax number, web address, e-mail address, year established, and number of employees. In addition, the directory includes the names of key contacts and decision makers in each company, providing essential information to job seekers and marketing/sales representatives. Listings are arranged alphabetically within each state/province, and each state/province section includes a city index, NAICS index, employee number index, and new company index. NAICS coding is used as the primary means of classifying company functions.

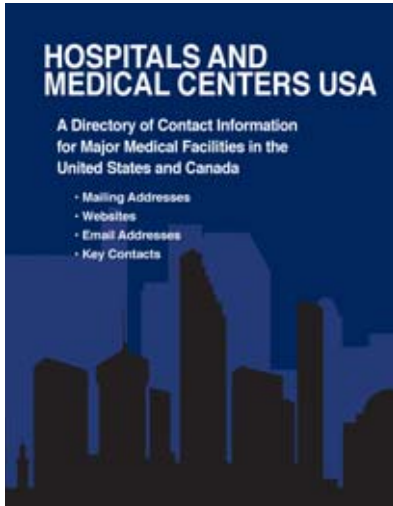

Rocky Mountain High Technology Directory

OCTOBER 2017. Softcover. 8 ½ x 11.
525 pages. Index. 978-0-7808-1597-1.
List price \$186.
School and library price \$169.

Rocky Mountain High Technology Directory provides the most up to date information on over 4,300 of the top high technology companies throughout the Rocky Mountain region (Arizona, Colorado, Montana, Nevada, New Mexico, Utah & Wyoming), including those in the fields of:

- Aerospace/Aircraft Equipment
- Biotechnology
- Computer Systems (Hardware)
- Communications Equipment/Services
- Laser/Optics/Photonics
- Microelectronics
- Research, Development/Testing
- Software Development Services

Each company listing provides the main address, phone number, NAICS code, and a short description of the products and services offered. Most company listings also include a fax number, web address, e-mail address, year established, and number of employees. In addition, the directory includes the names of key contacts and decision makers in each company, providing essential information to job seekers and marketing/sales representatives. Listings are arranged alphabetically within each state, and each state section includes a city index, NAICS index, employee number index, and new company index.

Hospitals and Medical Centers USA

MARCH 2018. 1st Edition. Softcover. 8 ½ x 11. 900 pages. Index. 978-0-7808-1439-4. List price \$195. **School and library price \$175.**

Hospitals and Medical Centers USA contains information on over 8,500 major medical facilities across the United States and Canada. Each hospital entry includes full contact details along with the parent company name, hospital and ownership type, and number of beds. The directory also includes over 33,000 of the key administrative and managerial contacts for each institution that are so valuable to marketers and job-seekers, such as, when available, hospital administrator, facility supervisor, and human resources manager, among others. Listings are arranged geographically, and the directory also contains a convenient alphabetical index. Valuable subject indexes and appendices also allow patrons to target facilities or organizations in specific categories, and access further resources for help and support. These include listings of Veterans Administration Health Care System Medical Centers, National Cancer Institute Designated Cancer Centers, U.S. military hospitals, state health departments, regional, state, and local hospital associations, and health-related helplines and hot-lines.

Independent Sales Representatives and Multi-Line Showrooms

JUST PUBLISHED! 2nd Edition. Softcover. 8 ½ x 11. 200 pages. Index. 978-0-7808-1602-2. List price \$329. **School and library price \$299.**

The *Independent Sales Representatives and Multi-Line Showrooms* directory includes information on over 1,100 independent sale agents and multi-line showrooms representing the fashion industry across the United States. These agents and showrooms are critical to merchandisers and manufacturers looking to connect with retailers to introduce their lines into the retail space.

Each record includes contact information, including full address, phone number, website address, e-mail address, and key contact names. The directory also includes valuable information for each record, including market focus, price points, territories served, number of locations, rep type, and specific brands carried. Arranged geographically, the directory also includes an alphabetical index by company name that references the location of each company's full listing in the main section.

The Salesman's Guides

For over 50 years, *The Salesman's Guides* have been the premier source of valuable contacts in the dynamic world of retailing. Each title in this series lists thousands of buyers and executives for retail firms in the United States and Canada, focusing on a specific segment of the industry. Listings feature full company contact information, including websites and e-mail addresses, along with the type of business, number of retail units, price point of merchandise carried, geographical area in which firm operates, and the names of executives and buyers. The *Guides* include an alphabetical index by company name, along with an online retailer index.

Government Assistance Almanac 2017

The Guide to Federal Domestic Financial and Other Programs

Now Available. 24th Edition. Library binding. 6 x 9. 1,250 pages. October 2016. Index. 978-0-7808-1540-7. List price \$275.

School and library price \$250.

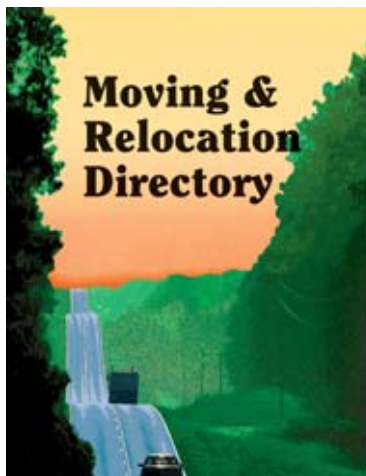

The 24th edition of *Government Assistance Almanac* gives users updated information on all available federal domestic assistance programs, representing nearly \$2 trillion worth of federal assistance earmarked for distribution to consumers, children, parents, veterans, senior citizens, students, businesses, civic groups, state and local agencies, and others. The conveniently organized directory presents all the essential information needed for those seeking to identify and obtain grants, loans, insurance, subsidies, fellowships, scholarships, traineeships, and other financial and nonfinancial assistance.

Each program listing in *Government Assistance Almanac* includes:

- Federal program number and title
- Types of assistance available
- Program objectives and permissible use of the funds
- Eligibility factors for applicants and beneficiaries
- Range and average amounts awarded
- Summary of recent activity
- Contact information for program headquarters and website address for more information

“The most comprehensive resource for identifying sources of government funding.”

—*Library Journal*

Moving & Relocation Directory

Now Available. 9th Edition. Library binding. 8 ½ x 11. 1,432 pages. December 2015. Index. 978-0-7808-1426-4. List price \$283.

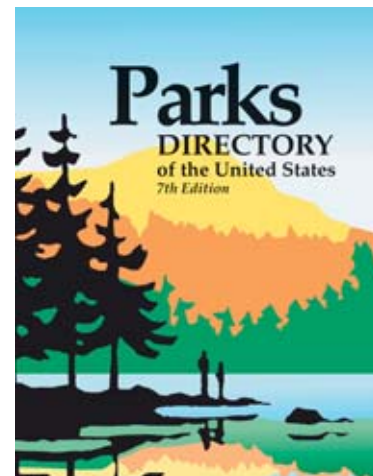

School and library price \$255.

Moving & Relocation Directory provides updated contact information, demographic and statistical data, and more for 121 U.S. cities, including major cities and smaller cities that are popular relocation destinations. Listings are organized by city and cover the following categories of information of interest to relocators as well as researchers seeking local information:

- Location
- Climate
- History
- Population
- Governments
- Information Sources
- Local Economy
- Area Communities
- Schools
- Hospitals
- Transportation
- Utilities
- Shopping
- Attractions
- Sports and Recreation
- Corporate Housing
- Public Storage Companies

“Recommended. All levels.”

Parks Directory of the United States

Now Available. 7th Edition. Library binding. 8 ½ x 11. 1,168 pages. December 2015. Indexes. 978-0-7808-1424-0. List price \$216.

School and library price \$195.

Parks Directory of the United States covers over 5,400 national and state parks and other designated recreational, scenic, and historic areas in the United States and Canada. The directory provides up-to-date information for each park including contact information, acreage, location, date established, facilities and activities, special features, job, career, and volunteer opportunities, and entrance pass programs. Among the thousands of descriptive listings, users will find:

- 387 National Parks
- 134 National Forests
- 17 National Grasslands
- 45 National Heritage Areas
- 14 National Marine Sanctuaries
- 486 National Wildlife Refuges
- 3,368 State Parks
- 156 Canadian National Parks and Reserves

The *Parks Directory of the United States* also covers national scenic byways, major urban parks, historic sites, battlefields, monuments, forests, preserves, memorials, seashores, trails, and other designated recreational areas. Descriptive listings for nearly 300 park and conservation organizations, as well as contact information for county parks and recreation departments, are also provided.

“Useful for a broad spectrum of individuals, especially those looking for a one-stop resource for information on national parks.”
