

Table of Contents

Preface xvii

Part I: Cancer Overview

Chapter 1—Introduction to Cancer 3
 Section 1.1—Cancer – An Overview..... 4
 Section 1.2—Common Cancer Myths and
 Misconceptions..... 10

Chapter 2—What Women Need to Know about
 Cancer 15

Chapter 3—Cancer Types..... 19

Chapter 4—Metastatic Cancer..... 21

Chapter 5—Cancer Clusters 27

Part II: Cancer Risks and Prevention

Chapter 6—Risk Factors 35

Chapter 7—The Genetics of Cancer..... 41
 Section 7.1—Cancer and Genetics – An
 Overview 42
 Section 7.2—BRCA1 and BRCA2: Cancer
 Risk and Genetic Testing 45

Chapter 8—Does Cancer Run in Your Family?..... 59

Chapter 9—What Women Need to Know about Smoking and Cancer Risk	63
Section 9.1—Health Effects of Cigarette Smoking.....	64
Section 9.2—Smoking and Cancer	69
Section 9.3—Questions and Answers about Women and Smoking.....	74
Chapter 10—Alcohol and Cancer Risk	77
Section 10.1—Alcohol and Risk of Cancer	78
Section 10.2—Women and Alcohol Use.....	85
Chapter 11—Facts about Human Papillomavirus (HPV) and Cancer Risk	89
Section 11.1—HPV Facts	90
Section 11.2—HPV Prevalence in US Women.....	97
Section 11.3—Questions and Answers about the HPV Vaccine.....	102
Chapter 12—Cancer Risks Associated with Hormonal Medications	105
Chapter 13—Radiation and Cancer Risk	113
Section 13.1—Radon and Cancer Risk.....	114
Section 13.2—Cell Phones and Cancer Risk	115
Section 13.3—Magnetic Field Exposure and Cancer Risk.....	124
Section 13.4—What Are the Radiation Risks from Computed Tomography (CT)?	128
Chapter 14—Environment and Cancer Risk.....	131
Chapter 15— <i>Helicobacter Pylori</i> and Cancer.....	135
Chapter 16—Cancer Prevention	141
Section 16.1—An Overview on Cancer Prevention	142

Section 16.2—Antioxidants and Cancer Prevention	149
Section 16.3—Vitamin D and Cancer Prevention	154

Part III: Breast Cancer

Chapter 17—Breast Cancer – An Overview	161
Section 17.1—General Information about Breast Cancer	162
Section 17.2—Stages of Breast Cancer	170
Section 17.3—Inflammatory Breast Cancer	174
Section 17.4—Breast Cancer and Pregnancy.....	181
Chapter 18—Breast Cancer Prevention and Diagnosis	185
Section 18.1—Breast Cancer Prevention	186
Section 18.2—Breast Cancer Screening	192
Section 18.3—Risks of Breast Cancer Screening.....	195
Chapter 19—Breast Cancer Treatment.....	199
Section 19.1—Treatment Options for Breast Cancer	200
Section 19.2—Surgery Choices for Women with DCIS or Breast Cancer	207
Section 19.3—Advanced Breast Cancer Treatment through Palbociclib	215
Section 19.4—Breast Reconstruction after Mastectomy	218
Chapter 20—Drugs Approved for Breast Cancer.....	225

Part IV: Gynecological Cancer

Chapter 21—Frequently Asked Questions about Gynecological Cancer.....	257
--	-----

Chapter 22—Cervical Cancer.....	263
Section 22.1—General Information about Cervical Cancer.....	264
Section 22.2—Stages of Cervical Cancer.....	267
Section 22.3—Cervical Cancer Prevention	272
Section 22.4—Cervical Cancer Screening	274
Section 22.5—Risks of Cervical Cancer Screening.....	276
Section 22.6—Treatment Options for Cervical Cancer.....	278
Chapter 23—Endometrial Cancer.....	283
Section 23.1—General Information about Endometrial Cancer.....	284
Section 23.2—Stages of Endometrial Cancer	287
Section 23.3—Endometrial Cancer Prevention	290
Section 23.4—Endometrial Cancer Screening.....	293
Section 23.5—Risks of Endometrial Cancer Screening.....	295
Section 23.6—Treatment Options for Endometrial Cancer.....	296
Chapter 24—Gestational Trophoblastic Disease	301
Section 24.1—General Information about Gestational Trophoblastic Disease	302
Section 24.2—Stages of Gestational Trophoblastic Tumors and Neoplasia.....	307
Section 24.3—Treatment Options for Gestational Trophoblastic Disease	310
Chapter 25—Ovarian, Fallopian Tube, and Primary Peritoneal Cancer	315

Section 25.1—General Information about Ovarian Epithelial, Fallopian Tube, and Primary Peritoneal Cancer	316
Section 25.2—Stages of Ovarian Epithelial, Fallopian Tube, and Primary Peritoneal Cancer	320
Section 25.3—Ovarian, Fallopian Tube, and Primary Peritoneal Cancer Prevention	323
Section 25.4—Ovarian, Fallopian Tube, and Primary Peritoneal Cancer Screening	326
Section 25.5—Risks of Ovarian, Fallopian Tube, and Primary Peritoneal Cancer Screening	328
Section 25.6—Treatment Options for Ovarian Epithelial, Fallopian Tube, and Primary Peritoneal Cancer	329
Section 25.7—Drugs Approved for Ovarian, Fallopian Tube, or Primary Peritoneal Cancer	333
Chapter 26—Ovarian Germ Cell Tumors.....	349
Section 26.1—General Information about Ovarian Germ Cell Tumors.....	350
Section 26.2—Stages of Ovarian Germ Cell Tumors.....	352
Section 26.3—Treatment Options for Ovarian Germ Cell Tumors.....	356
Chapter 27—Ovarian Low Malignant Potential Tumors	361
Section 27.1—General Information about Ovarian Low Malignant Potential Tumors	362
Section 27.2—Stages of Ovarian Low Malignant Potential Tumors	364

Section 27.3—Treatment Options for Ovarian Low Malignant Potential Tumors	367
Chapter 28—Urethral Cancer	371
Section 28.1—General Information about Urethral Cancer	372
Section 28.2—Stages of Urethral Cancer	376
Section 28.3—Treatment Options for Urethral Cancer	378
Chapter 29—Uterine Sarcoma	383
Section 29.1—General Information about Uterine Sarcoma	384
Section 29.2—Stages of Uterine Sarcoma	386
Section 29.3—Treatment Options for Uterine Sarcoma	390
Chapter 30—Vaginal Cancer	393
Section 30.1—General Information about Vaginal Cancer	394
Section 30.2—Stages of Vaginal Cancer	397
Section 30.3—Treatment Options for Vaginal Cancer	401
Chapter 31—Vulvar Cancer	405
Section 31.1—General Information about Vulvar Cancer	406
Section 31.2—Stages of Vulvar Cancer	408
Section 31.3—Treatment Options for Vulvar Sarcoma	412
 <i>Part V: Other Cancers of Special Concern to Women</i>	
Chapter 32—Anal Cancer.....	419
Section 32.1—General Information about Anal Cell Cancer	420
Section 32.2—Stages of Anal Cell Cancer	422
Section 32.3—Treatment Options for Anal Cancer.....	425

Chapter 33—Bladder Cancer	429
Section 33.1—General Information about Bladder Cancer	430
Section 33.2—Stages of Bladder Cancer	433
Section 33.3—Treatment Options for Bladder Cancer	436
Chapter 34—Colorectal Cancer.....	441
Section 34.1—General Information about Colon Cancer	442
Section 34.2—Stages of Colon Cancer	445
Section 34.3—Treatment Options for Colon Cancer	449
Chapter 35—Esophageal Cancer	453
Section 35.1—General Information about Esophageal Cancer	454
Section 35.2—Stages of Esophageal Cancer	457
Section 35.3—Treatment Options for Esophageal Cancer	461
Chapter 36—Gallbladder and Extrahepatic Bile Duct Cancer	465
Section 36.1—General Information about Gallbladder Cancer.....	466
Section 36.2—Stages of Gallbladder Cancer	470
Section 36.3—Treatment Options for Gallbladder Cancer.....	473
Section 36.4—General Information about Extrahepatic Bile Duct Cancer	476
Section 36.5—Stages of Extrahepatic Bile Duct Cancer	480
Section 36.6—Treatment Options for Extrahepatic Bile Duct Cancer	484

Chapter 37—Lung Cancer	489
Section 37.1—General Information about Non-Small Cell Lung Cancer	490
Section 37.2—Stages of Non-Small Cell Lung Cancer	495
Section 37.3—Treatment Options for Non-Small Cell Lung Cancer	502
Section 37.4—General Information about Small Cell Lung Cancer	507
Section 37.5—Stages of Small Cell Lung Cancer	511
Section 37.6—Treatment Options for Small Cell Lung Cancer	513
Chapter 38—Pancreatic Cancer	517
Section 38.1—General Information about Pancreatic Cancer	518
Section 38.2—Stages of Pancreatic Cancer	523
Section 38.3—Treatment Options for Pancreatic Cancer	525
Chapter 39—Skin Cancer	529
Section 39.1—General Information about Skin Cancer	530
Section 39.2—Stages of Skin Cancer	533
Section 39.3—Treatment Options for Skin Cancer	538
Chapter 40—Thyroid Cancer	543
Section 40.1—General Information about Thyroid Cancer	544
Section 40.2—Stages of Thyroid Cancer	548
Section 40.3—Treatment Options for Thyroid Cancer	552

Part VI: Diagnosing and Treating Cancer

Chapter 41—Diagnosis and Staging	559
--	-----

Section 41.1—Symptoms.....	560
Section 41.2—Diagnosis.....	561
Section 41.3—Staging	563
Section 41.4—Prognosis	565
Section 41.5—Tumor Grade.....	568
Section 41.6—Understanding Laboratory Tests	571
Chapter 42—Managing Cancer Care.....	579
Section 42.1—How To Find a Doctor or Treatment Facility If You Have Cancer.....	580
Section 42.2—People in Health Care	588
Section 42.3—Support Services	591
Section 42.4—Advance Directives	592
Section 42.5—Using Trusted Resources.....	596
Chapter 43—Getting Cancer Treatment – An Overview	601
Chapter 44—Types of Cancer Treatment.....	603
Section 44.1—Surgery.....	604
Section 44.2—Radiation Therapy.....	610
Section 44.3—Chemotherapy.....	619
Section 44.4—Immunotherapy	624
Section 44.5—Targeted Therapy	628
Section 44.6—Hormone Therapy.....	632
Section 44.7—Stem Cell Transplant	636
Section 44.8—Biological Therapies for Cancer	640
Section 44.9—Nutrition Therapy in Cancer Care	651
Chapter 45—Complementary and Alternative Medicine for Cancer.....	655

***Part VII: Coping with the Side Effects of Cancer and
Cancer Treatments***

Chapter 46—Common Side Effects of Cancer Treatment	671
---	-----

- Chapter 47—Cancer Treatment and Physical Appearance..... 681
 - Section 47.1—Hair Loss 682
 - Section 47.2—Skin and Nail Changes..... 684
- Chapter 48—The Effects of Cancer Treatments on Blood Cells..... 687
 - Section 48.1—Anemia due to Chemotherapy..... 688
 - Section 48.2—Bleeding and Bruising..... 689
 - Section 48.3—Infection and Neutropenia 691
- Chapter 49—Losing Sleep and Appetite..... 693
- Chapter 50—Sexual, Reproductive, and Fertility Problems..... 697
- Chapter 51—Edema and Lymphedema..... 701
- Chapter 52—Cognitive-Related Effects of Cancer Treatment 707
- Chapter 53—Nerve Problems..... 711
- Chapter 54—Urinary and Bladder Problems..... 715
- Chapter 55—Hot Flashes and Night Sweats 719
- Chapter 56—Feelings and Cancer 721
- Chapter 57—Adjusting to Cancer 729
- Chapter 58—Self-Image and Sexuality 739
- Chapter 59—Day-to-Day Life..... 745
- Chapter 60—Nutrition in Cancer Care 753
 - Section 60.1—Overview of Nutrition in Cancer Care 754
 - Section 60.2—Types of Nutrition Care..... 757
 - Section 60.3—Effects of Cancer Treatment on Nutrition..... 759
 - Section 60.4—Nutrition in Advanced Cancer 765

Chapter 61—For Family and Friends.....	769
Chapter 62—Cancer Support Groups and Caregivers	791
Chapter 63—Survivorship.....	797
<i>Part VIII: Clinical Trials and Cancer Research</i>	
Chapter 64—Clinical Trials – The Basics	809
Chapter 65—How to Find a Cancer Treatment Trial?	821
Chapter 66—Taking Part in Clinical Trials.....	833
Chapter 67—National Cancer Institute’s (NCI) Role in Cancer Research.....	835
<i>Part IX: Additional Help and Information</i>	
Chapter 68—Glossary of Terms Related to Cancer	847
Chapter 69—National Organizations Offering Cancer-Related Services.....	859
Index.....	875
