

# ***Table of Contents***

Preface .....xv

## ***Part I: Medical Tests for Healthy Living***

Chapter 1—Regular Health Exams Are Important ..... 3

- Section 1.1—Healthy Men ..... 4
- Section 1.2—Healthy Women ..... 9
- Section 1.3—Five Minutes (or Less) for Health..... 13
- Section 1.4—Check-Up Checklist: Things to Do before Your Next Check-Up..... 21
- Section 1.5—When Getting Medical Tests..... 23

Chapter 2—Family History ..... 25

- Section 2.1—Importance of Knowing Family History..... 26
- Section 2.2—FAQs on Family History ..... 27

Chapter 3—Questions about Medical Tests ..... 31

## ***Part II: Screening and Preventive Care Tests***

Chapter 4—Newborn Screening Tests..... 35

- Section 4.1—Importance of Newborn Screening..... 36

Section 4.2—Talk with Your Doctor about Newborn Screening.....	38
Section 4.3—Facts about Birth Defects.....	40
Section 4.4—Developmental Monitoring and Screening .....	43
Section 4.5—Screening Test for Baby’s Hearing Capabilities .....	45
Section 4.6—Vaccine Recommendations for Infants and Children .....	49
Chapter 5—Preventive Care for Children and Adolescents.....	57
Section 5.1—Recommended Screening Tests for Children and Adolescents .....	58
Section 5.2—Child and Teen BMI .....	78
Section 5.3—Tips for Parents – Ideas to Help Children Maintain a Healthy Weight.....	83
Section 5.4—Screening Test for Child’s Vision .....	88
Section 5.5—Get Your Teen Screened for Depression.....	90
Chapter 6—Preventive Care and Screening Test Guidelines for Adults.....	95
Section 6.1—Recommended Screening Tests for Adults.....	96
Section 6.2—Facts on Adult BMI .....	114
Section 6.3—Tips for Adults – Preventing Weight Gain and Importance of Physical Activity .....	119
Section 6.4—Get Your Blood Pressure Checked .....	124
Section 6.5—Talk with Your Doctor about Depression.....	128
Section 6.6—Get Your Cholesterol Checked .....	130
Section 6.7—Get Tested for Chlamydia and Gonorrhea .....	135
Section 6.8—Get Tested for HIV .....	137

Chapter 7—Screening Tests for Women.....	143
Section 7.1—Recommended Screening Tests for Women .....	144
Section 7.2—Get Tested for Breast Cancer.....	149
Section 7.3—Get Tested for Cervical Cancer ..	151
Section 7.4—Get Tested for Colorectal Cancer .....	155
Chapter 8—Preventive Care and Screening for Seniors.....	159
Section 8.1—FAQs on Preventive Care and Screening for Seniors.....	160
Section 8.2—Recommended Screenings for Seniors – Men .....	165
Section 8.3—Recommended Screenings for Seniors – Women .....	167
Section 8.4—Get a Bone Density Test.....	170
Section 8.5—Get Your Vision Tested .....	174
Section 8.6—Get Your Hearing Checked .....	178
Section 8.7—Recommended Immunizations for Seniors .....	180
Chapter 9—Genetic Testing .....	183
Section 9.1—Frequently Asked Questions about Genetic Testing.....	184
Section 9.2—Inheriting Genetic Conditions ..	192
Chapter 10—Screening Tests for Immigrants and Refugees .....	199
 <b>Part III: Laboratory Tests</b>	
Chapter 11—Understanding Laboratory Tests.....	207
Chapter 12—Lead Screening Test .....	209
Chapter 13—Common Blood Tests .....	215
Chapter 14—Biopsies .....	221
Section 14.1—Breast Biopsy .....	222

Section 14.2—Liver Biopsy .....	223
Section 14.3—Other Biopsies.....	230
Chapter 15—Bone Marrow Tests.....	233
Chapter 16—Stool Tests .....	239
Section 16.1—Colorectal Cancer and Stool Test .....	240
Section 16.2—Detection of Parasite Antigens .....	243
Chapter 17—Strep Throat Test .....	249

***Part IV: Imaging Tests and Risks***

Chapter 18—Medical X-Ray Imaging .....	255
Chapter 19—Risks of Medical Imaging .....	259
Section 19.1—Overview on Risks of Medical Imaging .....	260
Section 19.2—FAQs on Radiation and Risks .....	263
Section 19.3—Radiation Exposure from CT Scan and Its Effects on Children.....	266
Chapter 20—Radiography .....	269
Chapter 21—Contrast Radiography .....	271
Section 21.1—Coronary Angiography .....	272
Section 21.2—Lower Gastrointestinal (GI) Series .....	276
Section 21.3—Upper Gastrointestinal (GI) Series .....	281
Section 21.4—Lung Ventilation / Perfusion Scan .....	286
Chapter 22—Ultrasound Imaging .....	291
Section 22.1—Overview of Ultrasound Imaging .....	292
Section 22.2—Carotid Ultrasound.....	294

Chapter 23—Computed Tomography (CT) Scan.....	299
Section 23.1—Overview of Computed Tomography .....	300
Section 23.2—Full-Body Computed Tomography .....	303
Section 23.3—Chest Computed Tomography Scan .....	305
Section 23.4—Computed Tomography and Its Role in Cancer Treatment .....	311
Section 23.5—Virtual Colonoscopy.....	317
Chapter 24—Magnetic Resonance Imaging (MRI) Scan .....	325
Section 24.1—Overview of Magnetic Resonance Imaging Scan.....	326
Section 24.2—Cardiac MRI.....	328
Chapter 25—Nuclear Heart Scan .....	333
Chapter 26—Coronary Calcium Scan.....	339
Chapter 27—Mammography .....	345
Chapter 28—Pediatric X-Ray Imaging.....	353
Chapter 29—Fluoroscopy .....	357
 <b><i>Part V: Catheterization, Endoscopic, and Electrical Tests and Assessments</i></b>	
Chapter 30—Cardiac Catheterization .....	363
Chapter 31—Endoscopic Procedures .....	369
Section 31.1—Bronchoscopy .....	370
Section 31.2—Capsule Endoscopy .....	375
Section 31.3—Colonoscopy.....	377
Section 31.4—Cystoscopy and Ureteroscopy .....	382
Section 31.5—Upper Gastrointestinal (GI) Endoscopy.....	389

Section 31.6—Endoscopic Retrograde Cholangiopancreatography (ERCP).....	393
Section 31.7—Flexible Sigmoidoscopy.....	397
Chapter 32—Transesophageal Echocardiography (TEE) .....	403
Chapter 33—Electrocardiograms (EKG) and Holter and Event Monitors .....	411

***Part VI: Screening and Assessments for Specific  
Conditions and Diseases***

Chapter 34—Allergy Testing.....	425
Section 34.1—Testing for Environmental Allergies .....	426
Section 34.2—Testing for Pollen Allergy.....	430
Section 34.3—Testing for Food Allergy .....	433
Chapter 35—Asthma Testing.....	441
Chapter 36—Bladder and Kidney Function Tests .....	449
Section 36.1—Urodynamic Testing .....	450
Section 36.2—Testing for Kidney Disease .....	456
Chapter 37—Cancer Screening Tests .....	461
Section 37.1—Cancer Screening Overview .....	462
Section 37.2—Screening for Bladder and Other Urothelial Cancers.....	468
Section 37.3—Screening for Colorectal Cancer .....	472
Section 37.4—Screening for Esophageal Cancer .....	476
Section 37.5—Screening for Liver (Hepatocellular) Cancer .....	481
Section 37.6—Screening for Neuroblastoma.....	485
Section 37.7—Screening for Oral Cavity and Oropharyngeal Cancer .....	487

Section 37.8—Screening for Skin Cancer.....	491
Section 37.9—Screening for Stomach (Gastric) Cancer.....	496
Chapter 38—Cancer Screening Tests for Women.....	501
Section 38.1—Screening for Breast Cancer ....	502
Section 38.2—Screening for Cervical Cancer .....	509
Section 38.3—Screening for Endometrial Cancer .....	513
Section 38.4—Screening for Ovarian, Fallopian Tube, and Primary Peritoneal Cancer .....	517
Chapter 39—Cancer Screening Tests for Men .....	521
Section 39.1—Screening for Prostate Cancer .....	522
Section 39.2—Screening for Testicular Cancer .....	525
Chapter 40—Celiac Disease Tests .....	529
Chapter 41—Cystic Fibrosis (CF) Tests .....	535
Chapter 42—Diagnostic Tests for Diabetes and Prediabetes.....	543
Section 42.1—Overview of Diagnostic Tests for Diabetes and Prediabetes.....	544
Section 42.2—Blood Glucose Meter.....	556
Chapter 43—Heart and Vascular Disease Screening and Diagnostic Tests .....	561
Chapter 44—Infectious Disease Testing .....	565
Section 44.1—Tests for HIV / AIDS.....	566
Section 44.2—Flu/Influenza Testing .....	578
Section 44.3—Test for Hepatitis.....	580
Section 44.4—Tests for Chlamydia .....	584
Section 44.5—Test for Tuberculosis .....	586
Section 44.6—Malaria Testing .....	589

Chapter 45—Lung Function Tests.....	593
Chapter 46—Sleep Disorder Tests.....	603
Chapter 47—Thyroid and Other Endocrine Tests .....	615
Section 47.1—Thyroid Tests .....	616
Section 47.2—Graves’ Disease Testing .....	624
Section 47.3—Hashimoto’s Disease Testing.....	627
Chapter 48—Vision Tests.....	633
Section 48.1—Color Blindness Testing .....	634
Section 48.2—Cataract Testing .....	635
Section 48.3—Tests for Diabetic Eye Disease .....	638
Section 48.4—Tests for Glaucoma.....	642
Chapter 49—Balance (Vestibular) Disorder Tests.....	645

***Part VII: Home and Self-Ordered Tests***

Chapter 50—Overview of Home and Self-Ordered Tests .....	653
Chapter 51—Cholesterol Home Testing.....	655
Chapter 52—Drugs of Abuse Home-Use Test .....	659
Chapter 53—Direct-to-Consumer Genetic Testing.....	663
Chapter 54—Hepatitis C Home Test.....	667
Chapter 55—HIV Home Test .....	671
Chapter 56—Menopause Home Test .....	675
Chapter 57—Fecal Occult Blood Test.....	683
Chapter 58—Gynecological Concerns Home Tests .....	687

***Part VIII: Additional Help and Information***

Chapter 59—Glossary of Terms Related to Medical Tests .....	695
--	-----

Chapter 60—Online Health Screening Tools ..... 703

Chapter 61—Directory of Breast and Cervical  
Cancer Early Detection Programs ..... 711

Chapter 62—Organizations with Resources for  
People Undergoing Medical Tests..... 721

**Index ..... 729**
