What's New for 2019?

Omnigraphics continues to improve and expand its world-class collection of reference books and online products.

This year's catalog showcases our range of new Online products including the **Health Reference Series Online**, **Job Training Index**, The **Teen Resource Center**, our online reference databases including **American Technology** and **Biotechnology Companies**, as well as the **National Hospital Database**. It also features **EventConnect** - our tracking database of over 500,000 community, sports, entertainment, business and holiday events worldwide.

Our flagship **Health Reference Series** consists of over 60 reference books and a fully comprehensive online, intuitive search database. The award winning **Teen Health Series**, as well as the **Teen Finance Series** and the new online service The Teen Resource Center, directly address the teen reader and user to provide critical help and insights to today's teen. Further to that, please review our Reference products on pages 13 and 14 enclosed, and our **Defining Moments** series.

As always - we are here to serve the public libraries and educational institutions of the USA to ensure you provide the best possible information solutions to your members and students. Feel free to contact us with any feedback, questions or ideas.

We greatly welcome feedback and comments; call us at 1-800-234-1340 or email us at info@omnigraphics.com
