Meditation and Stress Relief SB, 1st Ed.

August 2022. 978-0-7808-2026-5

Musculoskeletal Disorders SB, 1st Ed.

February 2022. 978-0-7808-2028-9

Aging SB, 2nd Ed.

Information on the physiology of aging, impact of stress on aging, the importance of mental health, physical activity, healthy diet, and immunizations. Covers aging-associated diseases and medical conditions.

March 2021. 978-0-7808-1893-4

Adolescent Health SB, 5th Ed.

Information on growth and development during adolescence and related health and safety issues. Covers diet, exercise, and common issues affecting adolescents such as socializing, mental health, addiction, STDs and more.

July 2021. 978-0-7808-1907-8

AIDS SB, 7th Ed.

General health information about transmission, testing, stages, and treatment of human immunodeficiency virus (HIV), with facts about prevention, related complications, and tips for living with HIV/AIDS.

August 2018. 978-0-7808-1636-7

Alcoholism SB, 6th Ed.

Information on alcoholism, physical and emotional effects, and treatment methods. Covers binge drinking, underage drinking, cardiovascular disease, neuropathy, liver disease, fetal health, lifestyle consequences and more.

September 2021. 978-0-7808-1917-7

Allergies SB, 6th Ed.

Fundamental health information about causes, triggers, and treatment of allergic disorder and common allergies, along with coping strategies, therapies, and prevention tips.

October 2018. 978-0-7808-1646-6

Alzheimer Disease SB, 8th Ed.

Information on brain structure, effects of aging, and cognitive loss and degeneration with dementia. Covers causes, cognitive and behavioral symptoms, and indicators of AD and other dementias, genetic testing, and recent research.

October 2021. 978-0-7808-1976-4

Anxiety Disorders SB, 2nd Ed.

Provides consumer health information about the ways people experience anxiety, and various types including general anxiety

disorder, obsessive-compulsive disorder, post-traumatic stress disorder (PTSD), and panic disorder.

October 2020. 978-0-7808-1818-7

Arthritis SB, 5th Ed.

Information on diagnosing, treating, and managing degenerative, inflammatory, and other specific forms of arthritis and includes symptoms and treatments of issues that affect the joints, tendons, ligaments, bones, and muscles.

June 2018. 978-0-7808-1626-8

Asthma SB, 5th Ed.

Fundamental health information about diagnosis, treatment, and management of asthma, including facts about coping with the disease and minimizing triggers, along with a special section on asthma in children.

December 2018. 978-0-7808-1652-7

Autism and Pervasive Developmental Disorders SB, 4th Ed.

Health information about the causes, risk factors, symptoms, and diagnosis of autism spectrum disorders and related conditions, along with facts about interventions and treatments, educational guidelines, and coping tips for families.

January 2019. 978-0-7808-1656-5

Back and Neck Disorders SB, 3rd Ed.

Health information about diseases that affect the spinal column, including degenerative disk disease, osteoarthritis, scoliosis, sciatica, spina bifida, spinal stenosis, ankylosing spondylitis, and sprains, strains, and fractures.

June 2019. 978-0-7808-1705-0

Blood and Circulatory Disorders SB, 5th Ed.

Health information about blood function and composition, the maintenance of a healthy circulatory system, diagnosis and treatment of many common blood cell disorders, bleeding disorders, and circulatory disorders.

August 2019. 978-0-7808-1715-9

Breast Cancer SB, 6th Ed.

Updated information about breast cancer and its causes, risk factors, screening procedures/diagnosis, treatment and includes types of breast cancer, treatment complications,

preventive therapies, and tips on living with cancer.

March 2019. 978-0-7808-1687-9

Brain Disorders SB, 6th Ed.

Information on brain function and disease, the aging process, environmental considerations, neurological emergencies such as stroke or seizure, and brain disorder symptoms. Covers diagnosis, treatment, and rehabilitation therapies.

September 2021. 978-0-7808-1915-3

Cancer SB, 9th Ed.

Information on common types of cancer affecting the head, neck, central nervous system, endocrine system, lungs, digestive and urinary tracts, blood cells, immune system, skin, bones, and other body systems.

October 2021. 978-0-7808-1919-1

Cancer SB For Women, 6th Ed.

Includes information on risks factors, prevention, diagnosis, and therapies for female-related cancers, including breast cancer, cancers of the female reproductive organs, and cancers with the highest fatality rates for women.

August 2018. 978-0-7808-1915-3

Cancer Survivorship SB, 3rd Ed.

Includes facts about new treatment advancements, clinical trials, and offers options for living with cancer after diagnosis, coping with the complications of cancer treatments, and maintaining wellness post-treatment.

April 2020. 978-0-7808-1784-5

Caregiving SB, 1st Ed.

An overview of caregiving including the challenges and responsibilities faced by childcare, eldercare, long-term and long-distance caregivers. prevent the abuse of children and the elderly. Includes information on programs, and policies to support caregivers.

March 2021. 978-0-7808-1848-4

Cardiovascular Disorders SB, 7th Ed.

Information on symptoms, diagnosis, and treatment of heart and blood vessel disorders including cardiomyopathy, heart attack,

* These titles have been renamed, based on current health updates and research.

heart rhythm disorders, heart valve disease, atherosclerosis, stroke, peripheral arterial disease, and deep vein thrombosis.

June 2019. 978-0-7808-1707-4

Child Abuse SB, 5th Ed.

Information on child abuse and neglect, including severe punishment, abusive head trauma, Munchausen Syndrome by Proxy, sexual abuse, medical/emotional neglect, prevention, legal interventions, child protection, and therapies.

May 2019. 978-0-7808-1699-2

Childhood Diseases and Disorders SB, 5th Ed.

Up-to-date information about common disorders that affect the physical, mental, and developmental health of school-age children. Includes guidelines for promoting health and wellness and injury prevention.

October 2019. 978-0-7808-1729-6

Complementary and Alternative Medicine SB, 7th Ed.

Information on alternative systems such as Ayurveda, traditional Chinese medicine, Native American medicine, acupuncture, homeopathy, and naturopathy. Covers mind-body and energy-based therapies along with the use of dietary supplements.

November 2021. 978-0-7808-1980-1

Congenital Disorders SB, 5th Ed.

Causes, and diagnostic tests are covered for common types of nonhereditary birth defects and disorders related to prematurity, gestational injuries, prenatal and perinatal infections, and maternal-health conditions

July 2021. 978-0-7808-1909-2

Contagious Diseases SB, 4th Ed.

Information about microbes and the associated diseases including influenza, lice infestation, pneumonia, staphylococcal and streptococcal infections, tuberculosis, and others. Includes insights on medications, prevention, drug therapies and resistance, vaccination, and self-care.

August 2019. 978-0-7808-1719-7

Death and Dying SB, 4th Ed.

Information about medical management at end-of-life, caregiving and facility evaluation, legal, family, and economic issues. Covers palliative care/hospice and life support decisions, caregiver concerns, and final arrangements

November 2019. 978-0-7808-1731-9

Dental Care and Oral Health SB, 6th Ed.

Information for understanding the importance of effective oral hygiene and tooth decay prevention. Covers tooth pain, dental fillings, orthodontia, endodontic treatments, dental implants, bad breath, TMJ disorder and more.

September 2019. 978-0-7808-1721-0

Depression SB, 5th Ed.

Covers symptoms, and way to manage depression and explains dysthymia, atypical depression, bipolar disorder, pre and postpartum depression, seasonal affective

disorder and diagnosis, treatment—including therapies and medications.

November 2019. 978-0-7808-1735-7

Diabetes SB, 8th Ed.

Information on the different types of diabetes, diagnosis, and strategies for controlling and managing the disease with daily life challenges. Covers complications of diabetes, prevention tips along with guidelines for identifying and treating diabetic emergencies.

October 2021. 978-0-7808-1972-6

Diet and Nutrition SB, 6th Ed.

Information from the Dietary Guidelines for Americans providing planning strategies for restaurant and at home meals and covers the importance of healthy diet and weight maintenance for all demographic populations.

June 2021. 978-0-7808-1711-1

Disabilities SB, 4th Ed.

Health information about physical, sensory, cognitive, and learning disabilities. Covers assistive devices, technology, and services to promote independence and guidance for families regarding education, employment, legal rights, and financial concerns.

September 2018. 978-0-7808-1642-8

Disease Management SB, 3rd Ed.

Addresses the healthcare system, communicating with healthcare providers, evaluating health information, understanding patient rights, health advocacy, privacy, medical errors, and healthcare fraud. Includes information on prescriptions and over-the-counter medications.

March 2020. 978-0-7808-1776-0

Diseases and Illnesses Transmitted to Humans from Animals and Insects and Contaminated Food and Water

This special edition deals with the various diseases that are spread by animals, insects and through food and water contamination, and the identification and outbreak of animal, insect, food, and water-borne diseases.

Domestic Violence SB, 6th Ed.

Information about violence, stalking, harassment, and abuse, covering the physical, mental, and social effects of violence against partners, children, teens, the elderly, immigrants, and others. Provides insight on prevention and intervention and a listing of support organizations.

December 2018. 978-0-7808-1654-1

Drug Abuse SB, 6th Ed.

Covers the abuse of illegal and legally prescribed drugs. Includes statistics and details on drug abuse, addiction, and the health/life implications of drug abuse. Includes information on addiction treatment and recovery options and prevention strategies.

March 2019. 978-0-7808-1683-1

Ear, Nose, and Throat Disorders SB, 3rd Ed.

Information on causes, symptoms, diagnosis, and treatment of diseases and disorders that

affect the ears, nose, sinuses, throat, and voice, including ear infections, otosclerosis, cholesteatoma, hearing loss, tinnitus, vestibular disorders, vertigo, rhinitis, sinusitis, deviated septum, sleep apnea, and more.

May 2019. 978-0-7808-1701-2

Eating Disorders SB, 5th Ed.

Information on anorexia nervosa, bulimia nervosa, binge eating disorder, and other eating disorders and the abuse of laxatives/diet pills, and rumination disorder. Includes risk factors, warning signs, treatment, and recovery options.

February 2019. 978-0-7808-1681-7

Emerging Infectious Diseases SB, 1st Ed.

Information on infectious diseases, the immune system, how climatic changes impact the outbreak and spread of infectious diseases, international travel considerations, diagnostic tests, treatment methods and preventive measures.

July 2019. 978-0-7808-1709-8

Endocrine and Metabolic Disorders SB, 4th. Ed.

Information on the endocrine system and the regulation of human growth, organ function, and metabolic control. Covers growth disorders, hypothyroidism, diabetic disorders, Addison disease, Cushing syndrome, pheochromocytoma and more.

November 2019. 978-0-7808-1733-3

Environmental Health SB, 6th Ed.

Information on environmental hazards and health implications. Covers airborne, waterborne, food-borne, chemicals and covers facts about cancer, respiratory problems, infertility, autism, and other diseases with environmental triggers.

December 2021. 978-0-7808-1984-9

Ethnicity, Race, and Disease SB, 1st Ed.

Information on the sociological aspects of health and includes data about ethnicity, race and disease disparities in the U.S., genetic conditions specific to ethnic groups, and the differing risk factors associated with common diseases.

March 2020. 978-0-7808-1780-7

Eye Care SB, 6th Ed.

Information on vision and eye-related problems including cataracts, corneal disorders, macular degeneration, glaucoma and other disorders of the optic nerve, retinal disorders, and refractive and eye movement disorders.

May 2020. 978-0-7808-1794-4

Family Planning and Reproductive Health SB, 1st Ed.

Information on birth control, contraceptive methods, and family planning considerations. Cover reproductive disorders in women and men, adolescent sexual and reproductive health, STDs, and maternal and infant health issues.

May 2021. 978-0-7808-1895-8

Fitness and Exercise SB, 6th Ed.

Information on the health benefits of physical activity and guidelines for physical activity and injury prevention for people of all ages and diverse fitness levels—including those with disabilities, chronic diseases, and other challenges.

September 2019. 978-0-7808-1725-8

Gastrointestinal Diseases and Disorders SB, 4th Ed.

Health information on causes, symptoms, diagnosis, and treatment of diseases and disorders affecting the esophagus, stomach, intestines, appendix, gall bladder, liver, and pancreas. Covers diet, infectious diseases, cancer and more.

November 2018. 978-0-7808-1650-3

Genetic Disorders SB, 7th Ed.

Information on how genes work, how genetic mutations affect health and genetic testing. Includes common disorders such as muscular dystrophy, sickle cell anemia, and cystic fibrosis, Down syndrome, fragile X syndrome and more.

April 2019. 978-0-7808-1694-7

Global Pandemics and Epidemics and How They Relate to You

This special edition provides information about widespread disease outbreaks and their associated threats, as well as information about disease management and advice about what to do when infectious diseases spread rapidly.

March 2020. 978-0-7808-1816-3

Global Public Health and Disease Control, 1st Ed.

An overview of major global health challenges of the 21st century, including the impact of population aging and major infectious diseases that affect global health. Covers disease prevention, treatments, and emergency preparedness.

December 2021. 978-0-7808-1964-1

Guide to Buying Health Insurance SB

This special edition provides information about understanding the importance and need for health insurance, medical billing, and a detailed study about private and public-health insurance options in the United States.

September 2020. 978-0-7808-1782-1

Health Technology SB, 2nd Ed.

Information on health technology, telehealth and uses during COVID-19, innovations in preventive medicine, screening and detection, imaging, and patient monitoring services, nanotechnology, robotics, and assistive devices.

July 2021. 978-0-7808-1911-5

Immune System Disorders SB, 4th Ed.

Covers inherited, acquired, and autoimmune diseases, including primary immune deficiency, acquired immunodeficiency syndrome (AIDS), lupus, multiple sclerosis, type 1 diabetes, rheumatoid arthritis, Graves' disease and more.

October 2019. 978-0-7808-1727-2

Infant, Toddler and Child Health Sourcebook, 1st Ed.

Health information about the physical, mental, and developmental health of infants, toddlers, and children. Covers nutrition, weight gain, watching for milestones, and diseases and conditions that affect infants, toddlers, and children.

September 2020. 978-0-7808-1812-5

Kidney Disease and Urinary Tract Disorders SB, 3rd Ed.

Information on causes, symptoms, diagnosis, and treatment of problems that impact the body's urinary system, including bladder control problems, kidney stones, cancers, infections, prostate enlargement, glomerular diseases, and kidney failure.

May 2020. 978-0-7808-1840-8

Learning Disabilities SB, 6th Ed.

Information on signs, symptoms, and diagnosis of various learning disabilities and conditions that impact learning, and covers therapies and the special education process, coping tips for home and school, and handling the transition into adulthood.

June 2019. 978-0-7808-1703-6

Medical Tests SB, 7th Ed.

Provides health information about endoscopic, imaging, laboratory, and other types of medical testing for disease diagnosis and monitoring, along with guidelines for screening and preventive care testing in children and adults.

November 2021. 978-0-7808-1978-8

Men's Health Concerns SB, 6th Ed.

Health information on trends and issues in men's health, including reproductive and sexual concerns, prostate cancer, heart health, genetic disorders, information about screenings, vaccinations, self-examinations, and healthy lifestyle choices.

August 2019. 978-0-7808-1717-3

Mental Health Disorders SB, 8th Ed.

Information on major types of mental illness and treatments, including effective disorders, anxiety disorders, psychotic disorders, personality disorders, and disorders that impact behavior including impulse control disorders, addictions, and eating disorders.

September 2021. 978-0-7808-1970-2

Movement Disorders SB, 4th Ed.

Information and recent research on the common types of movement disorders in children and adults. Covers symptoms, causes and treatments, physical therapies and strategies for management and independent living.

August 2021. 978-0-7808-1913-9

Multiple Sclerosis SB, 2nd Ed.

Information about multiple sclerosis and its effects on various bodily and cognitive functions, along with details about risk factors, causes, diagnosis, pain management, treatment, and therapies.

May 2019. 978-0-7808-1697-8

Osteoporosis SB, 2nd Ed.

Information about osteoporosis and juvenile osteoporosis, risk factors, treatments, and pain management. Covers information on vitamins, supplements, medications, and the effects of Hormone Replacement Therapy.

March 2019. 978-0-7808-1685-5

Obesity and Overweight SB, 1st Ed.

Information about the causes, prevalence, associated health risks, prevention, importance of diet and exercise, treatment of obesity and overweight management and covers social stigma and tips for coping with excess weight.

July 2020. 978-0-7808-1808-8

Pain SB, 6th Ed.

Information on musculoskeletal pain such as back and neck pain, repetitive motion disorders, sports injuries, dental pain, gastrointestinal pain, neuropathies, urological pain along with medical management and treatments for pain relief.

March 2021. 978-0-7808-1889-7

Physical Rehabilitation, Medicine, and Therapy SB, 1st Ed.

Information on physical disabilities and rehabilitation options, medication, and therapy. Covers treatment plans and modalities used in physical therapy, disability inclusion and living with a disability with the help of assistive technologies.

January 2020. 978-0-7808-1774-6

Pregnancy and Birth SB, 4th Ed.

Information about fertility, infertility, contraception, hormone levels and changes that occur during pregnancy. Covers nutrition, prenatal care, high-risk factors, labor and delivery, postpartum recovery, newborn screening, and infant care.

April 2019. 978-0-7808-1693-0

PTSD and Coping with Trauma SB, 1st Ed.

Information on PTSD, brain and mental health risk factors, related health issues, the impact on lifestyle and family, and PTSD facts. Covers diagnosis, therapies, treatment, and management options, includes a list of resources.

November 2019. 978-0-7808-1767-8

Respiratory Disorders SB, 5th Ed.

Information on causes, triggers, and treatments of infectious and inflammatory diseases of the respiratory system including asthma, COPD, influenza, pneumonia, tuberculosis, cystic fibrosis, lung cancer, and traumatic lung injuries.

September 2019. 978-0-7808-1723-4

Sexually Transmitted Diseases SB, 7th Ed.

Information about sexual health and the screening, diagnosis, treatment, and prevention of sexually transmitted diseases, including chancroid, chlamydia, gonorrhea, herpes, hepatitis, HIV/AIDS, HPV, syphilis, and trichomoniasis.

April 2019. 978-0-7808-1691-6

Sleep Disorders SB, 5th Ed.

Information about sleep disorders including insomnia, sleep apnea, narcolepsy, circadian rhythm disorders, parasomnias, consequences of sleep deprivation, and the methods used in prevention and treatment.

July 2019. 978-0-7808-1713-5

Smoking Concerns SB, 2nd Ed.

Information on nicotine addiction and smoking cessation treatments. Covers health effects including lung and other cancers, heart disease, stroke, and respiratory disorders such as emphysema, COPD, and chronic bronchitis.

April 2019. 978-0-7808-1689-3

Sports Injuries SB, 6th Ed.

Information on sports injuries including sprains, strains, bursitis, tendinitis and specific injuries of the head, face, spine, shoulder, arms, legs, and feet. Covers protective equipment, injury prevention strategies and pain management options.

December 2020. 978-0-7808-1826-2

Stress-Related Disorders SB, 6th Ed.

Information on types of stress and the stress response, physical and mental health effects of stress such as depression, anxiety disorders, PTSD, and addiction. Covers treatment options and management techniques for adults and children.

December 2021. 978-0-7808-1982-5

Stroke SB, 5th Ed.

Information on the causes of stroke, and types such as Ischemic, hemorrhagic, and recurrent stroke. Covers risk factors, preventative lifestyle changes, testing diagnosis and treatment and poststroke rehab and complications.

June 2020. 978-0-7808-1802-6

Surgery SB, 5th Ed.

Covers common surgical procedures, patient preparations including diet and exercise considerations, criteria for selecting a specialized surgeon, second opinions, related risks, and complications, facilitating recovery and pain control.

June 2020. 978-0-7808-1798-2

Traumatic Brain Injury SB, 1st Ed.

Information on traumatic brain injury (TBI), diagnosis, treatment, surgical options, and rehabilitation techniques. Covers conditions such as Alzheimer's disease, depression, dementia, and Parkinson's disease, associated with TBI.

June 2020 978-0-7808-1800-2

Traveler's Health and Safety SB, 1st Ed.

Information for travelers on health, safety and security, modes of travel, types of shelters, health risks during travelsuch as viral infections, jet lag, food poisoning and altitude sickness, and document and safety requirements.

June 2020. 978-0-7808-1843-9

Women's Health Concerns SB, 6th Ed.

Information on women's health and wellness issues including vaccination and screening recommendations, fitness and nutrition guidelines, breast health, sexual and reproductive concerns, heart disease, stroke, and diabetes.

September 2020. 978-0-7808-1810-1

Health Reference Library

DISABILITY SERIES

At the request of librarians serving the one out of four Americans who live with a disability and those seeking the information needed to understand, navigate, and manage a disability, the Disability Series was developed as a specially focused set of volumes within Omnigraphics' Health Reference Series. Each volume provides comprehensive coverage of specific topics.

- Authoritative health information and facts geared to assist the reader in understanding the health challenges that they, a family member, or loved one is facing.
- Tables, charts, and illustrations display statistical data and supplement explanations.
- An index that provides easy access to descriptive information, definitions, and related concepts.

2022 PRICING

List Price: ~~\$47~~ / Volume

Library/Schools: **\$41**

Auditory Impairment and Assistive Hearing SB, 1st Ed.

Provides basic health information about auditory impairment, its problems and impacts, types of impairment and related disorders, with impairment caused by genetics and infections, guide for diagnosis, intervention, and treatment, and information about assistive hearing and disability rights for people with auditory impairment.

November 2020. 978-0-7808-1824-8

Communication Disabilities SB, 1st Ed.

Provides an overview of the different types of communication disorders and their impact on personal, social, and economic well-being, recovery and rehabilitation techniques, and tips for caregivers. Includes facts about rights and benefits of people with communication disabilities and resources for additional help and information.

April 2020. 978-0-7808-1790-6

Disability Rights, Benefits, and Support Services SB, 1st Ed.

Provides an overview of rights and laws enacted to protect and accommodate people with disabilities and those interested in learning more about disability and the processes required to apply for these benefits,

disability compensation benefits for veterans, information on how to find government and local disability programs and services, and other resources.

Oct 2019. 978-0-7808-1764-7

Learning and Developmental Disabilities SB, 1st Ed.

Information on milestones in childhood development, and speech, language, social, and emotional development. Covers causes, symptoms, diagnostic procedures, new testing and technologies, academic options, mental health, social programs and more. Covers rights of people with disabilities, the benefits available for them and directory of resources for further information and support.

April 2021. 978-0-7808-1891-0

Mental Disability and Rehabilitation SB, 1st Ed.

Provides an overview of the most common types of mental disability, behavioral-health therapies, co-occurring disorders, medications commonly used to treat mental disability, treatment options, culturally competent care, accessibility, rehabilitation, and the ways in which the Affordable Care Act provides parity protections for behavioral-health services, along with tips on finding a therapist, supporting a friend or family member through

diagnosis and treatment, and information about the neurodiversity movement, along with information on how to find government and local disability programs and resources.

Nov 2019. 978-0-7808-1766-1

Physical Disability and Rehabilitation SB, 1st Ed.

Provides an overview of the types of disability that limit an individual's physical functioning, mobility, dexterity, and stamina, either as a structural or functional impairment. The characteristics of specific physical disability are outlined and examples of the ways in which physical disability affects individuals are explained, along with information on how to find government and local disability programs and resources.

Oct 2019. 978-0-7808-1765-4

Visual Impairment and Rehabilitation SB, 1st Ed.

Provides basic health information about visual impairment, its types and prevalence, conditions that lead to visual impairment, guidelines for people with visual impairment to lead a quality life, and facts about benefits and support services available for them. Includes resources for additional help and information.

July 2020. 978-0-7808-1806-4

Online Resources

Health Reference Library

HRL provides comprehensive and authoritative information on health topics covering diseases, disorders, illnesses, and wellness categories. Features include a database of useful support organizations and contacts where users can find additional information and help, plus a knowledge base of frequently asked questions with plain language answers and more. Designed with the general user in mind, this user-friendly database answers the health questions of patients, families, students, caregivers, and the general public. Users will find it an invaluable resource as they navigate an increasingly noisy, and often unreliable, landscape of health information. The Health Reference Library includes intuitive online functions such as a fully up-to-date content, consistently updated by the Health Reference Series editorial team and access to local, regional, and national resources. The Health Reference Library is a complete tool for researching health issues. New interactive tools including a Body Mass Index (BMI) calculator, social media share functionality, news highlights and readability options.

The Health Reference Library is a complete tool for researching health issues.

Diversity and Cultural Studies

Understanding and Navigating Discrimination in America

Feb 2021. 978-0-7808-1901-6

List price: \$69

SCHOOL AND LIBRARY PRICE: **\$62**

Understanding and Navigating Discrimination in America is a resource guide to help identify and understand challenging conversations about discrimination and integrate them into American lives in a meaningful way. The country is at a crossroads, and it's more important now than ever to communicate respectfully with those who are different than us, work toward dismantling the systemic discrimination the country was built on, and uphold informed, just, and inclusive spaces for all people.

Women in the Workplace in America, 1900–2021

April 2021. 978-0-7808-1957-3

List price: \$69

SCHOOL AND LIBRARY PRICE: **\$62**

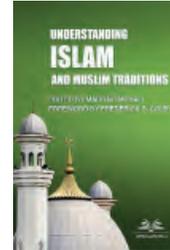

Women in the Workplace in America, 1900–2021 is a resource guide that provides historic context and detail on the challenges women have faced and continue to face in the American workplace. Covers significant legislation, movements and events from Rosie the Riveter to the #metoo movement. Highlights the professional strides women have made over the past century, and the stories of trailblazing women and their accomplishments. Includes key links to support organizations to help readers identify, manage, and navigate both the subtle and overt barriers women face in professional settings.

Understanding Islam and Muslim Traditions, 2nd Ed.

August 2021. 978-0-7808-1961-0

List price: \$69

SCHOOL AND LIBRARY PRICE: **\$62**

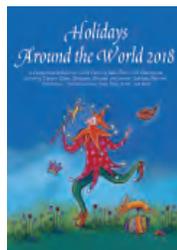

Understanding Islam and Muslim Traditions, 2nd Edition is written for students, educators, and general readers and explains specific religious observances and customs while introducing basic Islamic beliefs. Muslim holidays and festivals are described in considerable detail. Historical and geographical information is also included to provide a context for further understanding. This resource guide has four main sections: 1) A Brief Introduction to Islam, 2) Religious Customs and Folklore, 3) Islamophobia in America, and 4) Calendar System, Holidays, and Other Days of Observance.

Holidays Around the World, 6th Ed.
